S.130 (PUC)

Letter dated the 25th April, 1929, from the Honorary Secretary and Treasurer, The Bangalore Boy Scouts Association, Bangalore.

---:0:---

A non-recurring grant of Rs.500/- a year has been given to the Bangalore Boy Scouts Association from 1925-26 to 1928-29.

S.N.491/46A-1911.

(T)

The Government of India have authorised the Resident to sanction a grant of a sum not exceeding Rs.500/- per annum from the revenues of the Assigned Tract, if the revenues of the Association justify a grant being made.

Lc & S.1.130 (PUC)

Please see the estimate of Receipts and Expenditure of Association.

The income is Rs.1525/-.

The expenditure is Rs.1,825/-.

The estimated income of Rs.1525/- includes the Government grant of Rs.500/- now applied for, ~~and is still short of expenditure by Rs.500/-~~.

If approved, a non-recurring grant of Rs.500/- may be sanctioned. Funds are available for the purpose in the Assigned Tract budget.

They seem to have budgetted for a deficit in 1928 also in 1927. Please make a statement showing the position year by year , but before doing so pl.speak.

7.5.29

Mr Cooke has sent some Annual Reports, from which it seems that the Boy Scouts actually do just pay their way. But the budgetting is bad - pl. make statement as in form below.

1. A grant of Rs500 may be made towards the Bangalore Boy Scouts Association ?

2. Please see the statement at placed below. It will be seen that the Association consistently budget for a deficit, even after including the Govt. grant of Rs500 . On the other hand their actually expenditure is always less than their receipts.

In conveying sanction to the grant, if approved, we may say that the ~~considerable difference between~~

budget estimates have consistently shown a deficit and bear little relation to the actual receipts and receipts and expenditure ,and that it is hoped that in future it will be found possible ,when applying for a Govt. grant to supply more accurate budget estimates.

Circular No.19 of 1929. May 15th.1929.

My dear Colleague,

I write to warn you against the activities of a bogus Belgian scout who gives his name as "COUNT GUILLAUME VAN BOOM". This young man was last seen at Trèves/ Moselle, where he succeeded in imposing upon the local Scout authorities and then vanished without trace.

He states that he is "Leader of the 4th.Antwerp Scout section" and he is furnished with a letter of recommendation issued by the Bell Telephone Company of Antwerp, of which Company he states that he is the sole owner. During his brief stay in Trèves he stated that he was commencing a tour around the world and I write to put you on your guard so that you may take the necessary precautions against him.

We understand that he has served terms of imprisonment in France and Holland for fraud.

Believe me,

Yours sincerely,

Dear Sir,

S.25.169

With reference to your D.O No. 9875 dated 20th Nov 1929, I beg to state that Capt W. Wailling served this Association as District Commissioner from April 1927 to November 1929.

He got up concerts during Scout Week from 1926 annually and the total amount realised up till now is Rs 634.13.0. which helped to meet the expenses of the Scout Week and made it a success.

Besides he started a Head Quarter Troop consisting of Scoutmasters and Assistant Scoutmasters which

which met every month and received practical lessons to make them more efficient.
Capt Wailling took up the office when the Rev Wilkins had to leave India and the Association would have been in great difficulties had not Capt Wailling took up the office.
When Capt Wailling took up the office there were 24 Troops and 5 Packs numbering in all 543 and now there are 27 Troops and 10 Packs in all 684.
Thus he leaves the Association in a better state both with regard to efficiency and numbers.
Further I have to add that Capt Wailling was connected with this movement since 1911, as Scout master & member of the Executive Committee

To

The General Secretary,
All-India Boy Scouts Association.

APPOINTMENT OF AN ASSISTANT PROVINCIAL COMMISSIONER.

Sir,

I am directed to say that the Executive Committee of the Bangalore Boy Scouts Association have recommended that Captain W. Wailling should be appointed as Assistant Provincial Commissioner of the Association on the ground of the good work done by him during the time that he was District Commissioner.

2. Captain Wailling has been connected with the Bangalore Boy Scouts Association since 1911, as Scout Master and Member of the Executive Committee, and was appointed District Commissioner in 1927 in succession to the Reverend Mr. Wilkins. If Captain Wailling had not accepted the office of District Commissioner the Association would have found themselves in great - - difficulties. He has taken great interest in the work of the Association and started a Head Quarter Troop consisting of Scout Masters and Assistant Scout Masters which met every month and received practical training. In 1927,

there

there were 24 Troops and 5 Packs numbering in all 543 and now there are 27 Troops and 10 Packs consisting of 684 boys. He also took much trouble in social matters and got up annual concerts during Scout Week from 1926 and the amount collected helped materially to make the Scout Week a success.

3. In view of the good work done by Captain Wailling, the Provincial Chief Scout and Provincial Commissioner has much pleasure in supporting the recommendation of the Executive Committee of the Bangalore Boy Scouts Association.

I have, etc.,

THE BOY SCOUTS ASSOCIATION,
IMPERIAL HEADQUARTERS,
25, BUCKINGHAM PALACE ROAD.
LONDON, S.W.1.

2nd. November, 1929.

Dear Mr. Pears,

Sir Alfred Pickford has found it necessary to relinquish the position of Oversea Commissioner at Imperial Headquarters in order to devote himself more particularly to work as one of the Chief Scout's Commissioners, which appointment he has up to now been holding jointly with that of Headquarters Commissioner for Oversea Scouts and Migration.

Mr. Legge, who was Assistant Oversea Commissioner, has had to give up this work as he has to winter abroad for reasons of health.

Lt.Col. G. Walton has taken over the duties of Headquarters Commissioner for Oversea Scouts and Migration, and Mr. Harold Legat as Assistant Commissioner for Oversea Scouts and Migration.

There will, of course, be no change in the general policy of Imperial Headquarters as regards the relations with Oversea Associations, and I am sure that Col. Walton and Mr. Legat will continue on the same lines as Sir Alfred Pickford. Both have had experience overseas and both will, I think, appeal to you as fully as their two predecessors.

Yours sincerely,

Baden Powell

Circular No.38 of 1929. November 6th.1929.

My dear Colleague,

I write to warn you against a man named F.C.Kennedy who is engaged on a globe trotting expedition.

He states that he is a Rover Scout and he sells postcards which describe him as "Rover Scout Kenned; but he is not a member of the movement.

He was last seen in Durban and he states that he proposes to visit Great Britain, Holland, France, Germany, India, Spain, Italy, Ireland, America and Australia.

He is pushing a barrow which contains all his equipment and he states that he hopes to complete his world walk in 1936.

No assistance or recognition of any sort should be given to him.

Believe me,

Yours very sincerely,

Hubert S. Martin.
